Woman's Friend

Nearly all women suffer at times from female ailments. Some women suffer more acutely and more constantly than others. But whether you have little pain or whether you suffer intensely, you should take Wine of Cardui and get relief.

Cardui is a safe, natural medicine, for women, prepared scientifically from harmless vegetable ingredients. It acts easily on the female organs and gives strength and tone to the whole system.

Mrs. Verna Wallace, of Sanger, Tex., tried Cardui. She writes: "Cardui has done more for me than I can describe. Last spring I was taken with female inflammation and consulted a doctor, but to no avail, so I took Cardui, and inside of three days, I was able to do my housework. Since then my trouble has never returned." Try it.
